

The background of the poster is a vibrant green and yellow geometric pattern. Silhouettes of four runners are shown in various stages of a stride. A large, stylized green leprechaun hat with a red band and a white buckle is positioned on the left side. Several four-leaf clovers are scattered throughout the design, some on thin stems and others as floating elements. The title 'St. Patrick's Day 5k' is written in a large, white, serif font, with a green four-leaf clover to its right.

# St. Patrick's Day 5k
